

EPOCH[®]
LACROSSE

HOLIDAY GIFT GUIDE 2018

PURPOSE COMPLETE STICKS

PURPOSE[®]

The Purpose[™] is engineered for the new generation of elite athletes. Designed, manufactured and tied-up right here in the USA, the Purpose[™] features Epoch's patent pending 15-degree bottom rail. This technology is designed exclusively by women for women. The 15-degree bottom rail technology drives the ball high in the pocket to the sweet spot unlike any other product in the market. This maximizes feel and control for ultimate consistency, power and accuracy.

The Purpose[™] is available with a matching Dragonfly, the most technologically advanced carbon fiber composite shaft in the game. Available in a 1" concave diameter or a slim 7/8" diameter. Like all Dragonfly shafts, the Purpose[™] comes with an industry leading 1-year warranty and is manufactured with pride here in the USA.

PURPOSE[®]

PRO MESH™ POCKET

The Purpose 15-degree head has changed the landscape of women's lacrosse since it hit the market in 2017. This game changing head is now available with Epoch's NEW Pro Mesh™ Pocket. Designed in unison, the Pro Mesh™ pocket is engineered to optimize the sweet spot of the Purpose's exclusive patent pending 15-degree technology.

Each part of the pocket is strategically designed to give you, the player, ultimate control, feel and accuracy when playing. The HT Poly technology is engineered to keep your pocket consistent in all weather conditions with minimal or no adjustments.
